CREWE ALEXANDRA

CREWE GET OFF TO GOOD START

by Tony Pullein

Crewe got away to a good start in this season's Freight-Rover Trophy, running up a 4-1 home win over Stockport County. So they come to Burnden Park needing only to draw to move into the Northern Quarter Finals.

Two goals each from Gary Blissett and David Waller earned Crewe their victory over Stockport and they would certainly welcome a run of success in this tournament to boost confidence for their fight against finishing in the re-election zone in Division Four.

At the moment they are hovering uncomfortably close to the danger area and, with ambitious clubs like Altrincham so anxious to break into the Football League, Crewe appreciate that their League status could be placed in jeopardy if they are forced to make what would be their 14th application for re-election.

Recent results have given manager Dario Gradi grounds for optimism, though. Just over a week ago Crewe scored their second away League victory at Southend (1-0). In September they won at Northampton (1-0). Their only other away points came from drawn games at Peterborough (0-0) and Mansfield (2-2).

Crewe were beaten at Hartlepool (1-4), Wrexham (1-2), Chester (0-4), Scunthorpe (1-3), Rochdale (0-1), Aldershot (2-3), Port Vale (0-3), Hereford (1-4) and Halifax (0-1).

Their F.A. Cup hopes came

to an early end in the first round, when they crashed 1-5 away to Derby County.

They achieved an excellent result in the first round of the Milk Cup. It seemed their prospects of progress were small after they were held at home to a 3-3 draw by Second Division Carlisle United. But they won 4-3 at Brunton Park to qualify for a second round crack at First Division Watford. They lost both legs, 1-3 at home and 2-3 at Vicarage Road.

Crewe Alexandra have the unique distinction of having been founder members of three different divisions of the Football League. Founded in 1877, the club turned professional in 1893 — a year after they had become one of the original members of the Football League's Second Division.

After four seasons, Crewe failed to gain re-election so they returned to non-League football until 1921 when they were invited to join the new Third Division (North).

They remained at that level until the formation of the Fourth Division in 1958.

It was in 1963 when they celebrated their first promotion. They finished third in Division Four but they survived for only one season in the Third Division. They won promotion again in 1968 but they again dropped back again after only one season.

Since then they have remained a Fourth Division

club.

The club enjoyed its biggest success in its early days. In 1888 they reached the semi-final of the F.A. Cup, losing only 3-4 to Preston who went on to become the first winners of the League Cup double.

BRIAN PARKIN (Goal-keeper). Brian began with Oldham and made a few appearances in their League side at the start of last season. He later joined Crewe on loan and the transfer has now been completed.

DAVID PULLAR (Defender). David opened his career with Portsmouth as a midfield player. He played more than 100 senior games for Pompey and, after moving to Exeter in 1979, led the Grecian's scoring list in the first season. He remained with the Devon club until joining Crewe in 1983.

STEVE DAVIS (Defender). Steve served his apprenticeship with Stoke City but didn't come into contention for a first-team place at the Victoria Ground. Life changed dramatically for him when he joined Crewe in 1983 and he has since been on regular first-team duty.

NIGEL HART (Defender). Nigel began his career with Wigan Athletic but got only one outing in their League eleven. He moved on to Leicester in 1979 but met with little success at Filbert Street. It was after moving on to Blackpool in 1981 that his career really got off the

ground. Crewe signed him in November 1982 and he has since remained a fixture in their back four.

JOHN PEMBERTON (Defender). John started his career with Rochdale and played in midfield when he made his League debut for them last season. He left for Crewe before the end of the campaign and finished last season at right-back.

LEVI EDWARDS (Midfield). A non-contract player who had previously been with Manchester United. Made his senior debut in the away game at Northampton this season.

DAVID PLATT (Midfield). David was a junior player with Manchester United and he got his break in League football last season after moving on to Crewe.

STEVE SAUNDERS (Midfield). Steve developed

here at Burnden Park and got three outings in our senior side in 1983/84. He joined Crewe last summer.

CHRIS CUTLER (Midfield). Chris turned professional with Bury and made his League debut for them in 1981/82. Openings were few for him at Gigg Lane, though, so last season he tried his luck in Finland. Crewe signed him this season.

PETER FARRELL (Midfield). Peter also opened his career at Bury and he established himself in their first-team in 1976/77. When he moved on in 1978, Port Vale invested a club record £40,000 in his transfer. He made almost 100 appearances for Vale before joining Rochdale in 1982. Crewe signed him two years later.

AARON CALLAGHAN (Midfield). Aaron learned his game in the junior teams with Stoke

City and he was given a few outings in their First Division side last season. He is currently on loan to Crewe.

DAVID WALLER (Forward). David is leading Crewe's scoring list for the fourth season in succession. He first made the senior team for a game against Bournemouth in January 1982. He won a regular place the following season when he scored 17 goals. In 1983/84 he hit 14 and last term his tally was 15. He is already well into double figures this season.

GARY BLISSETT (Forward). Gary was a youth team player with Manchester United and Manchester City but, after a few seasons in Crewe's "A" team, he gave up football because he was on night work. Two seasons ago, he decided to give it another go and he has since been holding a first-team place at Gresty Road.

CLUB NEWS

A warm welcome to Crewe Alexandra to Burnden Park for tonight's Freight Rover Trophy tie. The two clubs have never faced each other in a football league game but have been drawn together twice in the FA Cup and in last season's Freight Rover Trophy Competition.

In the FA Cup competition way back in 1896, the Wanderers visited Crewe for the first round. Crewe were then in the second division and had already played through seven preliminary rounds whilst the Wanderers, who were doing well in the first division, were playing their first game in the season's competition.

Crewe, at that time, were the only amateur club in the football league and Bolton had offered to switch the tie to Burnden but Crewe refused, and so the game took place at Nantwich Road.

Bolton went in front after 35 minutes through Wright and the professionals proved too good for the amateurs in the second half and went on to win 4-0 with goals from Tannahill, Brown and Gunn.

The second FA Cup tie between the clubs again took place at Burnden with a third round tie in January 1967. The Wanderers were again favourites, holding second division status, in comparison to the visitors fourth division standing. The game on this occasion was much closer with the Wanderers winning 1-0 thanks to a Francis Lee penalty after 43 minutes.

Last season both clubs faced each other in the Freight Rover Trophy first round over two legs. The game at Burnden took place on January 22nd 1985 and it was barely 10 seconds old before Crewe took the lead.

A poor back pass from Graham Bell went straight into the path of Dave Waller and the centre forward converted the chance easily. The Wanderers didn't allow their heads to drop and equalised in the 17th minute when Warren Joyce completed a well worked move. Two minutes later Bolton took the lead when Tony Caldwell left the Crewe defence standing to blast home past the helpless Brian Parkin.

Crewe struck back and equalised through Gary Blissett, after 32 minutes, with the Wanderers defence waiting for a whistle from the referee that never came when Ray Deakin appeared to be fouled.

The second half was played in swirling blizzard conditions with chances few and far between. In the 54th minute Warren Joyce capitalised on a poor back pass from Nigel Hart to give the Wanderers a first leg lead of 3-2 to take to Gresty Road a fortnight later.

The two teams a year ago were:—

Bolton: Farnworth, Borrowes, Phillips, Joyce, Came, Deakin, Thompson, Chandler, Oghani, Caldwell, Bell. Subs: Rudge, Foster for Caldwell.

Crewe: Parkin, Pullar, Armstrong, King, Davis, Hart, Blissett, Crabbe, Waller, Allatt, Cliss. Subs Thomas for Crabbe, Aldridge for Waller.

In the second leg the sides drew 0-0 but it was a nail-biting game for Bolton as Crewe came close to scoring on a number of occasions and hit the woodwork twice.

The Wanderers extended their unbeaten run to six games and doubled Crewe's average gate to 3,303 on the night.

Down memory lane

15 years ago 26th January 1971. Wanderers winger Terry Wharton was transferred to Crystal Palace in a £12,000 deal. Wharton was at the time Bolton's record buy when, in October 1967, Wolves received £70,000 for the Bolton born player who made 108 league and cup appearances for his home town club, scoring 28 goals.

30th January 1971. Bolton returned to league football when Watford were the visitors to Burnden. The only change from the win over Sheffield United a fortnight earlier was the return of Roy Greaves for Paul Jones whilst Warwick Rimmer was substitute.

Rimmer in fact got into the action when John Hulme had to leave the field injured but he couldn't prevent the visitors returning with both points after a 1-0 win. The only goal of the game came from Duncan Welbourne in the first half.

10 years ago 27th January 1976. Bolton entertained Luton Town at Burnden in a re-arranged league game that had been postponed a fortnight earlier. Luton had strung together eight successive victories but had no answer to Bolton's magical first half performance.

It took only three minutes for the Wanderers to take the lead when Neil Whatmore latched onto a poor back pass from Paul Futchter to set up Garry Jones who made no mistake.

Twenty minutes later Peter Reid and Neil Whatmore combined to set up a chance for John Byrom which the striker crashed home. Ten minutes from half time Sam Allardyce headed home a Peter Thompson cross to register Bolton's third goal.

Although that was the end of the scoring there was still some close moments in the second half. Peter Thompson struck the bar with a 25 yard effort and Luton also came close to scoring when Ron Futchter hit a post. The Wanderers failed to go to the top of the table because they couldn't find the net for a fourth time which would have put them there on goal average.

5 years ago 31st January 1981. The Wanderers went down 2-1 to Newcastle Utd at St James' Park. Ray Clarke gave the home side the lead in injury time at the end of the first half. Bolton equalised through Mike Bennett, his only goal for the club, having taken his place in the side as a late deputy for the injured Alan Gowling.

Mick Martin denied the Wanderers a point with United's winning goal in the 68th minute.

Peter Nicholson who was available on a free transfer turned down a move to Oxford United having already turned down Carlisle and Port Vale.

1 year ago 30th January 1985. Bolton ended a 10 month wait for an away win with a dramatic penalty winner in the last minute at Bristol Rovers. The 2-1 result gave the Wanderers their first away points of the season and ended a losing sequence of 15 away games.

Tony Caldwell put Bolton in front after 13 minutes but Colin Randell equalised 3 minutes into the second half. Bolton's penalty was awarded when George Oghani was tripped and Jeff Chandler calmly slotted home his 11th league penalty for Bolton.

2nd February 1985. The Wanderers continued their winning ways with a 3-1 victory over Doncaster Rovers at Burnden. Mark Came put Bolton in front with his first goal for the club and Tony Caldwell increased the lead only for David Harle to pull one back. Jeff Chandler made sure of the points when he converted a penalty awarded for a foul on George Oghani.

split into small leagues. The winner of each league goes forward into a straight knockout basis with the final at Wembley on 24th May. Last season almost 40,000 saw Wigan Athletic defeat Brentford 3-1 in what was known as the 'Friendly Final' with many neutral supporters enjoying a fine advertisement for third division football.
